Keeping You in the Know, One Issue at a Time!

Ronald Nesrallah, also known as Deadly Uncle Vibes, is a Moose Cree First Nation member from Moosonee, Ontario. Ronald shares that his passion is entertainment, and he loves to create comedic and dancing content to bring laughter to his listeners.

Several years sober, Ronald rebuilt his life, reconnected to his culture and travels to share his journey with others.

On March 24, Ronald visited Garden Hill First Nation High School to share his journey on how he overcame alcohol, other challenges and to encourage the students that everything is possible once they put their minds to it.

Here are some highlights!
